INTEGRATION

An estimate of your weekly SDI benefits will be reduced (dock) from monthly payroll check. This process will continue for as long as you have accrued sick leave.

MONTHLY PAY

Upon approval of your claim, you will receive benefits in the form of an ATM card from SDI. Combined income from the District and benefits from SDI cannot exceed regular monthly pay.

SPENDING

We highly recommend you do not spend your SDI benefit until you receive your monthly payroll check from the District. This will reduce the possibility of overpayment.

RETURN TO WORK

To avoid any unnecessary dock in pay, please notify the Payroll Office immediately upon your return to work.
