

Brothers and Sisters,

Election Day for the 2018 June Primary **is less than 20 days away**. As public and private service workers who provide vital services to the communities we live in, it is important to get out and participate in the political process and elect those who will support working people on the local, state and federal level.

Before making your decisions on who to support on June 5th, please check out AFSCME California PEOPLE's list of endorsed candidates for state legislative and constitutional officers!

For races designated "Open" - please refer to the specific endorsement of your AFSCME California affiliate. If the district is not listed, no endorsement was made in that race.
