

AFSCME School Reopening Survey Results

	# Resp.	% Choice in Top 3 Top 3 concerns related to returning to work										Are you aware of the current CDC and local health guidelines?		If so, what is your primary source of information?						If schools reopened following CDC and local health guidelines, how comfortable are you returning to the physical school site or department to work around students and staff?				If very uncomfortable, would your health and safety concerns preclude you from physically returning?

AFSCME School Reopening Survey Results

	How important is it to have consistency/equity in the implementation of the reopening plan at school sites or departments?				Are you currently caring for or transporting children to or from childcare or school?		If yes, how concerned are you that a change in school schedule will make childcare and/or transportation difficult?				If schools open in a Hybrid Model, could you secure childcare?			If you currently care for another adult what level of concern do you have returning to work on a different schedule?					If you had to choose, which would you prefer?
